

# Needed: Host Families For Foster Pet Care

## Foster Pet Program

Beacon of Hope Center for Women is committed to supporting the needs of Women & Children who have been affected by violence. The Foster Pet Program consists of volunteer host families who agree to temporarily house pets while their family is getting to safety. Contact us for more information on how you can help or for an application to volunteer to be a host family for this important program.

Victims of family violence know that an abuser will direct his/her anger at pets because they are more vulnerable and it is another method used to control the primary victim. This is a major barrier for victims to escape the violence. Domestic violence shelters accept women and children, but they do not accept pets.
